

Register your cohabitant

If you are in a romantic relationship and live together without being married, you can register as cohabitants with ATP. If you do so you may be entitled to receive a lump sum payment in the event of death – provided that the conditions are met. You can find the conditions here: www.lifeindenmark.dk/atp. Here you can also log in and register yourselves as cohabitants.

Do either of you not have a Danish civil registration number (CPR number)?

If one of you does not have a Danish CPR number, you can fill out the form with your names and either your CPR number or date of birth and signatures.

Please note that there are special rules for payment of lump sums in the event of death from ATP if you live abroad. You can read more here: www.lifeindenmark.dk/atp.
